

This week's poem is:-  
*The Spider and the Fly*  
by Mary Howitt

### Home/school task

This week we have started our new science topic which is all about investigating solids and liquids. Find a collection of objects at home such as chair, shampoo, spoon, teddy bear, pen, book etc. How can you sort these into different groups? You can record this in any way you like - lists, drawings, photographs, Carroll diagrams. Some ideas for sorting may involve colours, how they are used, what they are made of, where they are found, shape etc. Have fun!
