Dear Parent/Carer,

Year Two Home Activities

We have had another busy and happy week in Year 2! The children have really enjoyed constructing their own candy cottages as well as building an almost life size one out of our soft play equipment, very impressive! 😊 In the POD, we have been using our creative talents to make music that would suit different parts of the Hansel and Gretel story, it sounded fantastic! Our Art projects are finally finished and look absolutely stunning, we won't say anything more we'll just leave you to see them for yourselves very soon! 😊

This week's poem is *Witch's Stew*. Please read through the poem with your child and discuss it e.g. what is the poem about? Did they enjoy it? Why/why not? Are there any rhyming patterns? Poems can be stuck in homework books or ideally in their red poem books from last year which can be continued if they still have them.

As this week is Anti-Bullying week, please could you reinforce with your children at home what this means. Why do we have an anti-bullying week in school? Encourage your child to create an anti-bullying poster at home, perhaps you can work together to think of the best words and pictures to use to grab people's attention and get the message across!

The **new** Education city homework has been set online for **two weeks**. Don't forget if you do not have computer facilities then you may work with your child in the school POD on a Wednesday after school.

Well done to all those of you who have read your **Bug Club** books, we will set you 2 more books to enjoy! 😊 Please let us know how the children are getting on with Bug Club at home, we would really appreciate some feedback as it is a new school resource.
