Dear Parent/Carer,

# Year Two Home Activities

What an exciting week! It started off with us making rice crispy cakes for Mrs Roberts' Wedding, we even wrote the recipe and instructions for how to make them too! We finished typing up our riddles in the Pod and they were so fantastic that the grown ups couldn't work out the answers! In Maths we have made a super start working with money, we have loved playing 'Shop' in the Maths corner. Phew! And we are only halfway through the week, we've still got our Cinema trip and a surprise baby shower to look forward to! ☺

This week's poem is *Mumbo Jumbo*. Please read through the poem with your child and discuss it e.g. what is the poem about? did they enjoy it? Why/why not? Are there any rhyming patterns? Poems can be stuck in homework books or ideally in their red poem books from last year which can be continued if they still have them.

We really appreciate that the half term holiday is a lovely opportunity for family time so if you visit anywhere special or have a nice day out we'd love to hear all about it. Perhaps the children can take photos to show their classmates or even keep a little diary. Also, every child has been given a target card which they are going to aim to achieve before Christmas. Please spend a little bit of time reminding your child of their target and help them to work towards it. For example, if your child's target is to remember full stops and capital letters perhaps you could write some sentences with mistakes for them to correct or even write some silly sentences together remembering full stops and capital letters.

The Education city homework has been set online for **two weeks**. Don't forget if you do not have computer facilities then you may work with your child in the school POD on a Wednesday after school.
