

Year Two

Homework Activities

Date: 28.9.11

Dear Parent/Carer,

We have had a very exciting week in Year 2 with our mysterious doors appearing in our classrooms! ☺ We have been writing about who could live behind the door and what secret world might exist there, we have even made our own secret doorways which look absolutely amazing! In Numeracy, we have started work on ordering numbers to 100 and are all doing really well. This week we also started to learn our story *The door in the Mountain* and have had great fun thinking of actions to help us learn it. ☺

For this week's homework please help your child to complete the *Punctuation* activity focusing on capital letters, full stops and exclamation marks (!) as we have been trying really hard to remember these in our class work.

This week's poem is *The elves and the dwarves*. Please read through the poem with your child and discuss it e.g. what is the poem about? did they enjoy it? Why/why not? Are there any rhyming patterns? Poems can be stuck in homework books or ideally in their red poem books from last year which can be continued if they still have them.

The Education city homework has now been **extended** online as we appreciate there was a problem with the children accessing it last week. Don't forget if you do not have computer facilities then you may work with your child in the school POD on a Wednesday after school. We understand that this year Education City costs £2.00 but it is such a fantastic resource for the children to use at home and they all really enjoy it. Passes have been given out to those who have already signed up.

REMINDERS:

Can you help?

We are really short of dressing up clothes in Year 2, if your children have any old costumes etc that they no longer want we would really appreciate them in our Cwtch area. We are always on the look out for any old objects that the children can take apart and investigate in our Let's Find Out area so if you have any objects that are unwanted or broken please send them in! Finally, our Maths area would really benefit from weighing scales or balance scales, if anyone has an unwanted set we and the children would be extremely grateful! Many thanks!

Kerbcraft

We are waiting for a new Kerbcraft date to be confirmed while CRB checks are being cleared.

PE

Miss Gwyther's class - Wednesday mornings

Miss Thomas' class - Thursday mornings

Whilst it is fine for children to wear a school tracksuit to school on this day, they still need to have a full PE kit to change into i.e. shorts and t-shirt.

Diolch,

Miss Gwyther, Miss Thomas, Mrs Freeman & Mrs Morris
