

This week's poem of the week is:-  
*Insects*

### Half term home/school task

Thank you for such lovely informative mini-beast homework. We really enjoyed sharing some of your interesting facts and learned some new information ourselves. If you need to find some more facts, get researching because the more information you have the easier your report will be to write.

Have a look in your garden or perhaps you could visit Victoria Gardens or the Gnoll, how many different mini-beasts can you find? Try to observe one closely and have a go at sketching it. You may be able to add this to your report in class.
