

Y5&6 HOME SCHOOL TASKS

For your home school task this week we would like you to create a presentation on an aspect of World War 2 that has interested you.

For example:

- Evacuation
- Rationing
- Dig for Victory
- The causes of World War II
- The treatment of Welsh Italians
- Or you may like to choose one of your own topics

Please try to be as creative as possible. You might like to incorporate the following things into your presentation:

- Power point
- Photographs or video clips
- Art work
- Artefacts

Remember that the information you gather must be from a reliable source of evidence. Take care not to trust everything you read on the internet!

Due Monday 17th October

Next week we have an exciting RE challenge for you that will require a small box (shoe box size) and cut out pictures of different fruits. Could you please bring them into school on Monday.
