

Reception Home Activities

Have a lovely weekend
The Early Years team.

Welcome back to the Spring term. We hope you have all enjoyed the Christmas holiday, which seemed longer this year!

At the moment, we're working especially hard at reading and developing reading skills. Most children know their sounds now and are getting cleverer at using this knowledge to sound out new words for themselves. Ideally the children should be reading a little every day to an adult. The words on the sheet we have sent home are useful for children to have in their sight vocabulary. Writing them reinforces this.

Our new school theme is 'going for goals' so maybe you'd like to talk about this at home and set a goal together, such as tidying their toys away / bedrooms!

Can we just remind you to return reading books in the book bags on a Monday as this prevents them from getting lost and enables us to keep moving the children on.

Many thanks

the Early Years team
