

Home Activities

Dear Parent / Guardian,

This week we have continued practising the number bonds of 10. Some children have started bonds of 20. We have also been practising reading, writing and counting numbers to 100. Please use the links below to continue practising at home:

<http://www.primarygames.co.uk/pg2/splat/splatre100.html>

We have been really busy this week painting the background to our forest / woodland and have been looking at animals which have patterns, as our next job is to paint one of these.

As we have been doing so much painting, our home activity for this week is to paint a picture of 'The Queen's Diamond Jubilee'. Be as inventive as you can - it could be anything to do with the Queen, her corgis, crown, family etc. Please help your child write their name clearly on the back, along with our school, Alderman Davies School and their class eg. 1P or 1S. The paintings are going to be entered into the Neath Town Council painting competition and there are prizes for first, second and third entries!!! So fingers crossed X

There is also an essay competition on the same subject if anyone feels clever enough to have a go!

We hope you all have a lovely half-term. Enjoy!!! ☺

REMINDERS

School INSET on 24th February.

Don't forget to have a go at the homework set on Education City.

Diolch yn fawr,
Year 1 teachers
