## Poetry Workshop

On the 24<sup>th</sup> November we are really excited to work with the author Phil Carradice. The author will be working with the children in a poetry workshop. This is a fantastic opportunity for the children to gain experience from an established author. The total cost of the workshop is £250. As a school, we have received a grant of £100 towards the cost. To cover the £150 we would appreciate a contribution of £1.50.

Thanks for your continued support
