

New Beginnings

2011 - 2012

As part of our SSEAL journey, we have once again, been exploring the theme of 'New Beginnings'. We thought about the world that we live in and all of the wonderful gifts that God has given us.

On one of our special SSEAL trees, we wrote down all of the things we would like to have in our world, such as friendship, family and love. On the other tree, we wrote down all of things we would like to get rid of, such as war, cruelty and hate.

We all took animal puppets and teddy bears to collective worship and listened to the Australian creation story that says that all of the animals in the world burst out of the ground and spread across the world.
