

Neath Fair

In Reception, Year One and Year Two we started our school year by making our own September fair. We decided to make our own lollies and candyfloss and sold them in our class stall. We learned all about buying and giving change

We also made our favourite fair rides. Of course, we couldn't have a fair without hot dogs and candyfloss.

My candyfloss tastes yummy!

This hotdog is delicious!

I am Evan's lion. ROAR!

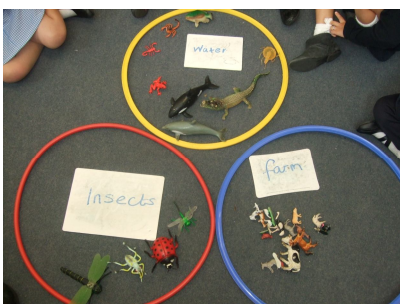

Here is our junk model fair ground. We made helter skelters, waltzers and bumper cars.

Animals

We sorted our animals in different ways.

We made shelters for our animals and talked about how we take care of them. Finn and Neve showed us how they take care of their chickens, Chowder and Cluck.
