

# Year Two Home Activities

Date: 7.12.11

Dear Parent/Carer,

We have been getting into the Christmas spirit in Year 2 this week! All the children enjoyed their hot chocolate and cookies with a Christmas story for Golden Time. We are like little elves making our Christmas cards and calendars and we are really enjoying practising our Christmas songs for the concert! This week we have been busy recognising halves and quarters and sorting numbers into a Venn diagram! A huge well done to all the children who have completed their Christmas projects, they are absolutely fantastic, we have really enjoyed sharing them with the whole class. 😊

Next week we are having our school Christmas fete, the children have been talking about it and are getting very excited about the ways we are raising money for *The Smile Train*. For homework, please help your child to design a poster for the Christmas fete, remember to make it bright and colourful. I'm sure the children will be able to tell you all the exciting things that are happening that day! **(Wednesday 14<sup>th</sup> December)**

Song of the week is *We are the toys*. The children know the tune and the chorus really well so we would really appreciate it if you could spend some time with your child reading through the verses. Have fun! 😊

The Education city homework has also been set online for two weeks so this will be its **2<sup>nd</sup> week**. Don't forget if you do not have computer facilities then you may work with your child in the school POD on a Wednesday after school.

Well done to all those of you who have read your **Bug Club** books, we will set you 2 more books to enjoy! 😊 Please let us know how the children are getting on with Bug Club at home, we would really appreciate some feedback as it is a new school resource.
