

Home Activities

Dear Parent / Guardian,

Our sound this week in class is 'qu' and we have been spelling words that start with the 'qu' sound or have the 'qu' sound in them e.g. quilt, liquid, queen

qu

Make a duck's beak with your hands and say *qu, qu, qu*.

If you would like to hear the sound please click on the link below where you can hear all the Jolly Phonic sounds:

<http://jollylearning.co.uk/2010/10/29/hear-the-letter-sounds/>

Click on to the British English area and select the sound group.

In order to reinforce this letter sound the class poem this week is

The Queen

The Queen quickly quilted the quilts,

How quickly did she quilt?

As quickly as the Queen could quilt,

She quilted eight quaint quilts.

Our tricky words this week which we are learning to spell from memory are 'to' and 'do', so if your child can't remember how to spell these words independently please practise with them each day, and also revise the previous tricky words I, the, me, we, she and he.

In maths, we are continuing to practise our recognition of coins and to add amounts of money together.

We are looking forward to seeing the home projects set on toys to be returned on the 8th November to share with the class.

Just a reminder, if you have not returned your child's P.E. kit to school, please could you do so as soon as possible. Also, if you wish to pay your child's snack money for the term it is £8 or £7 if you have already paid this week.

It was lovely to see so many children who have accessed the reading program Bug Club, and to hear your positive responses. If you haven't yet had a go or are having any difficulty please let us know, so we can help you. Don't forget if you do not have access to the internet, please tell a member of staff.

Don't forget to have a look at the homework set on Education City, to read the books selected for your child on bug club and to look at our schools weekly newsletter.
