18.05.12

Thank you everyone for the lovely photographs that you have donated, the children are very proud and have enjoyed talking about their 'Family Books'. Looking at photographs is a fantastic way to encourage your child to speak in sentences. This week we have enjoyed the story of Oliver's Vegetables and talked about which vegetables grow above or below the ground. The children chose a vegetable to paint and the finished results are amazing! Pop into Nursery to see our masterpieces. Our new classmates- the caterpillars, are changing everyday and we are fascinated that they are making silk threads at the bottom of their home to land on in case they fall, how clever! We have begun to celebrate 'England Week' with a power point on the Queen. The children know she is very important, lives in a palace in London, wears a crown and has been our Queen for a very long time (it took us a long time to count to 60). As a treat to celebrate the Jubilee we had an ice- cream which each child decorated with sprinkles and chocolate bits. Yummy. Next week the whole school will be celebrating the Queen's Diamond Jubilee with a party. Please could you send in £1.50 towards the cost of Nursery's party? Thank you.

Don't Forget! –

If you have the opportunity, take a look at the nursery page of our school website where you'll find examples of the fun we have had in nursery.

We are still collecting raffle prizes towards the Spring Fling (Thurs. 31st of May). Please could you donate a small prize in either black or white? Thank you! Nursery stall will be selling plants. If anyone is a keen gardener and has any donations to make our stall a success we would be really grateful.

We always need envelopes, used/unused cards, used c.d.s, art & craft materials, clean junk, bottle tops, buttons, pasta etc. Please don't forget us when you are spring cleaning at home!

Dates for your diary

Spring Fling 31st May 2012

Jubilee Meal 24th May 2012 (Royal fancy dress)

Whole School Production 2nd & 3rd of July 2012 (Notice of costumes to be given shortly)

Nursery Graduation 11th of July 2012

For homework,

Next week we would like to continue with our Family Books with a photo of parents and a separate photo of siblings. Now that the children have learnt about the Queen and recognise her face on coins, bank notes and stamps, please ask your child to draw her face to make a large stamp on the sheet provided.

Have Fun! Diolch yn fawr.
