

# Nursery Home Activities

Eid Mubarak! Happy Eid! We have continued to learn about some of the Muslim traditions surrounding the festival of Eid. The children have enjoyed making Eid cards using sparkles and sequins. They have worked very hard to cut out moon shapes and are all trying their best to develop their scissor skills. The children have had opportunities to taste food from India. We've also been practising counting to 10 and recognising numbers. Well done for all the work at home that everyone's doing on Penguin One and Ticklish Two!

This week's sounds are 'r' and 'm'.

## For homework,

You may like to:

- ✓ Think about parties that you have been to. Have you any photos to remind you of them? What do you do at home to prepare for a party?
- ✓ What is your favourite food? Is it the same as the rest of your family? Ask your parents to help you make something you love to eat. Try something that you have never tried before.
- ✓ Practise counting to 10 at home.
- ✓ At Eid, women and girls decorate their hands with mehendi patterns. Decorate the hand print overleaf with lots of pretty patterns. You could also draw around your hands and other people's hands in your family. Who has the biggest hand? Who has the smallest? Can you put them in order?

**Education City homework is on-line. If you have not already had the opportunity, Education City codes can be purchased from Mrs. Jenkins in the nursery at a cost of £2. This cost will provide your child with a year's access to the site. Children new to the nursery should also receive a pass, please see a member of staff.**

Should you ever have any queries, please see a member of staff or, alternatively send an email to [adciw-r.duford@npted.org](mailto:adciw-r.duford@npted.org)

Diolch yn fawr, have fun!

Mrs. Rhian Duford, Mrs. Michelle Jenkins, Mrs. Teresa Seymour and Mrs. Claire McNamee.
